Your model release form says you're a 'factory worker'. Bored?

I was, but I've packed it in now. It was a terrible job, I hated it!

What were you doing there?

I used to be a 'boxer', which meant making up the cardboard cartons. All day long. Aaarrgh!

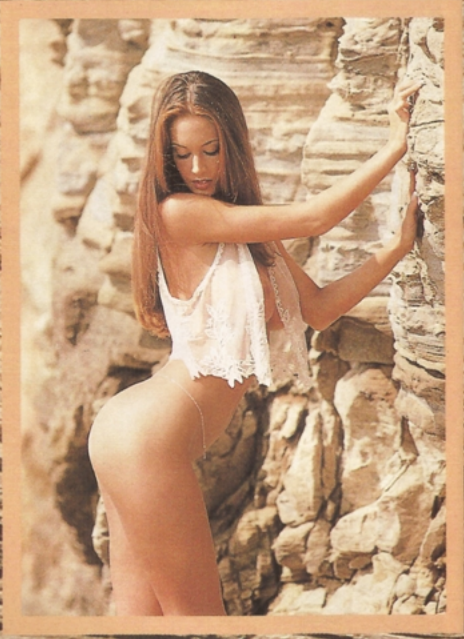
21

Is that why you gave it all up?

Sort of. I was so sick of it I was looking for another job, then a girlfriend of mine suggested I try modelling. To be honest, I didn't think I had what it takes to be a Mayfair *maiden, but here I am!*

Well, we reckon you're bloody gorgeous – the sky's the limit!

Honestly? It's so exciting I keep thinking I'll wake up in a minute and find out it's all been a dream. A rather naughty dream at that! Ooh, pinch me someone!



Hey, that doesn't look like Bournemouth beach to us…
Of course it isn't, silly. I got flown to California for this shoot – we shot it about ten miles north of Malibu, near where Madonna lives!

Wow! Did you meet Madonna?

No. In fact, I didn't meet anyone! We did the session really early in the morning before anyone was out and about. Californian law says you can't get fully naked on a public beach, so we had to be careful…

Ooh! Naughty naughty!

Shhh! You won't print that bit will you? I don't want to get the photographer into trouble!

Of course we won't (heh heh)! Ⓜ

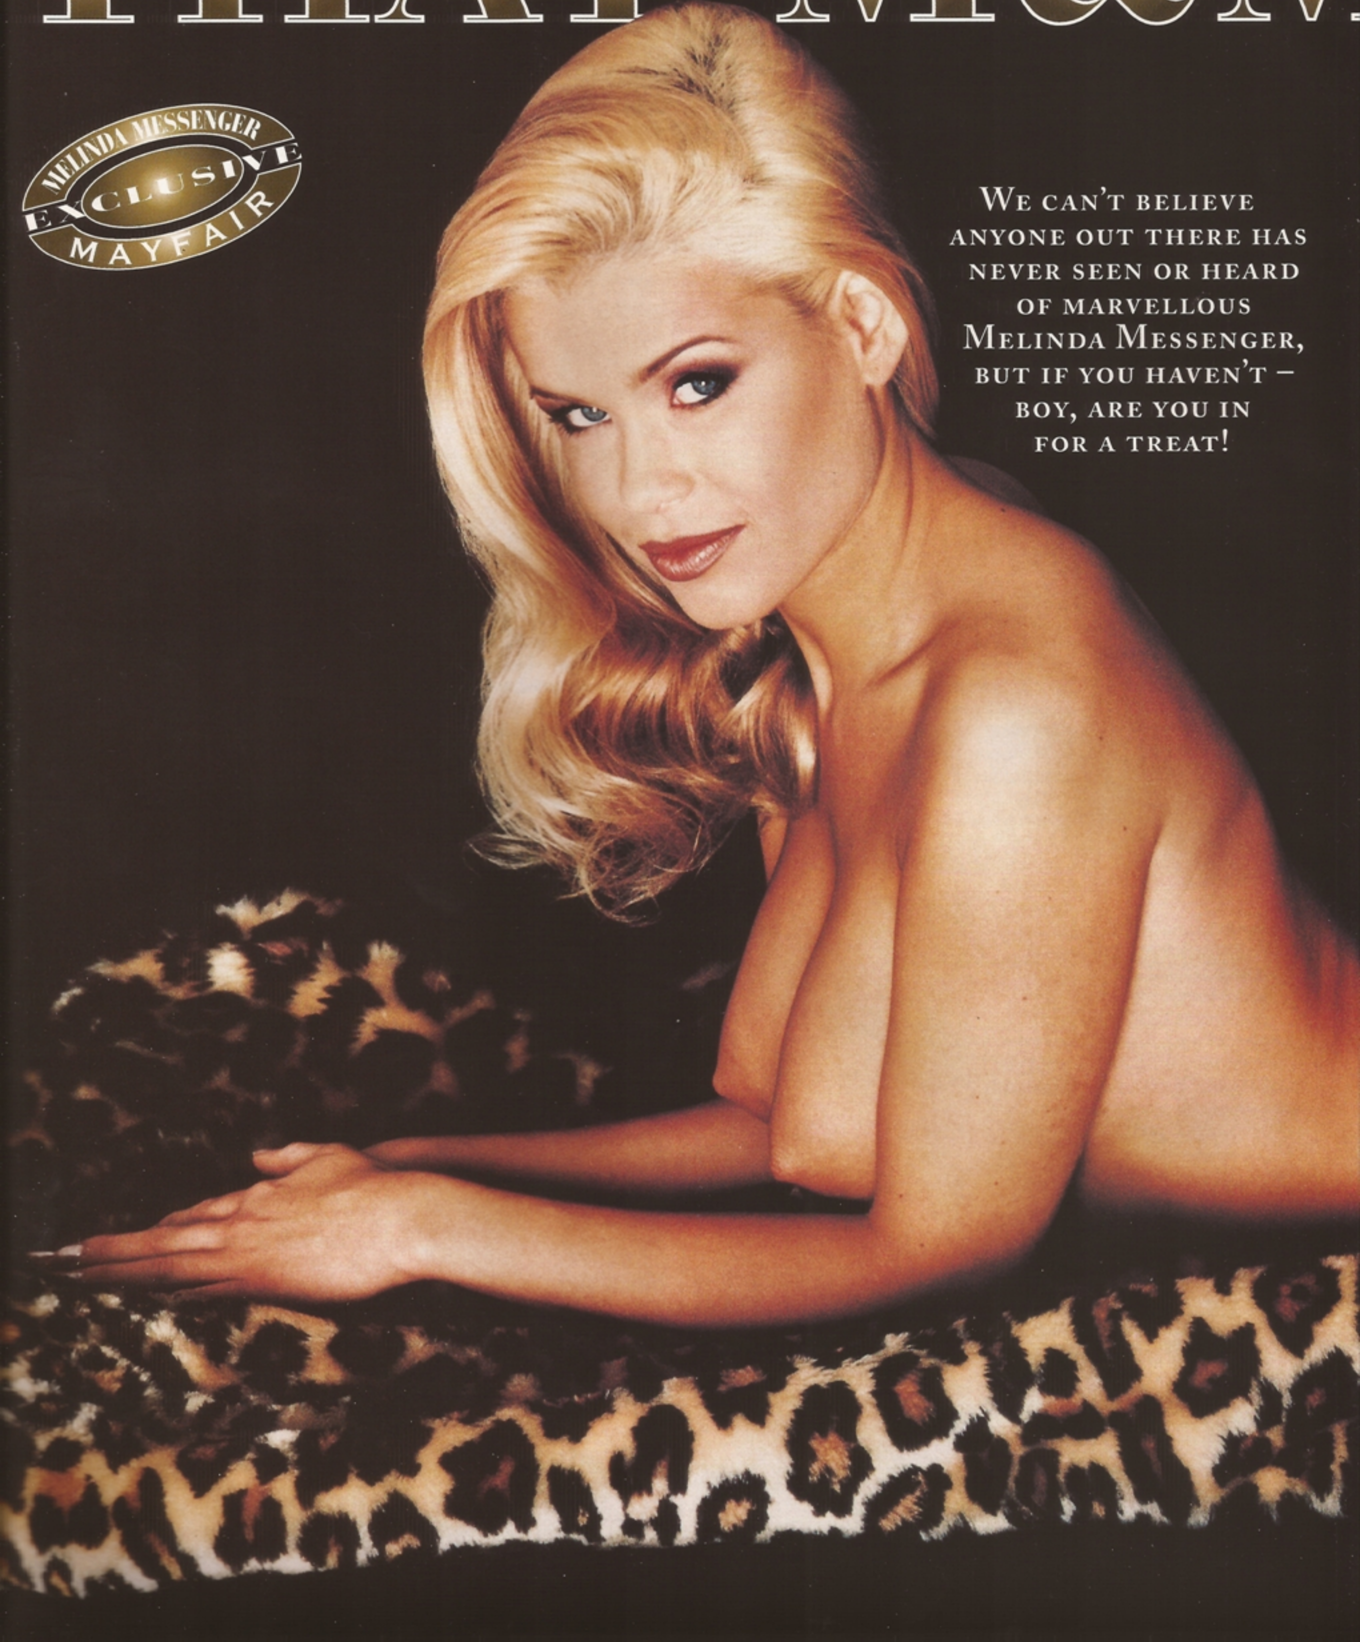
MELINDA MESSENGER
EXCLUSIVE
MAYFAIR



We can't believe anyone out there has never seen or heard of marvellous Melinda Messenger, but if you haven't – boy, are you in for a treat!

ER OF GOD

Melinda readily admits to having had a boob job to achieve her 34DD-22-34 figure (it cost her £3,000) and being 25 years old (unlike most gals, she's not fibbing!). She has a long term relationship with a fella called Wayne (they're due to tie the knot any day now). In interviews, she's completely unlike the stereotypical bimbette, coming across as intelligent, sincere and not afraid of taking the mickey out of herself.

One political thinktank (known as the Mayfair Research Institute) even suggests she was instrumental in Labour's election victory. Following the Spice Girls' ill-advised gaffe about Thatcher being "the original Spice Girl," Melinda revealed that "I'll be voting Blair," and the results speak for themselves. If Tony's gang had actually sent her out canvassing, it's unlikely the Tories would have won a single seat!

So if you do happen to find yourself trapped in a lift with Melinda, how do you get on the right side of her (presuming there's enough room left to move at all)? "I'm not good at chatting men up," she says. "A bloke who's polite and friendly and charming and funny is always going to be in with a better chance." Oh well, that's us out of the running, then…

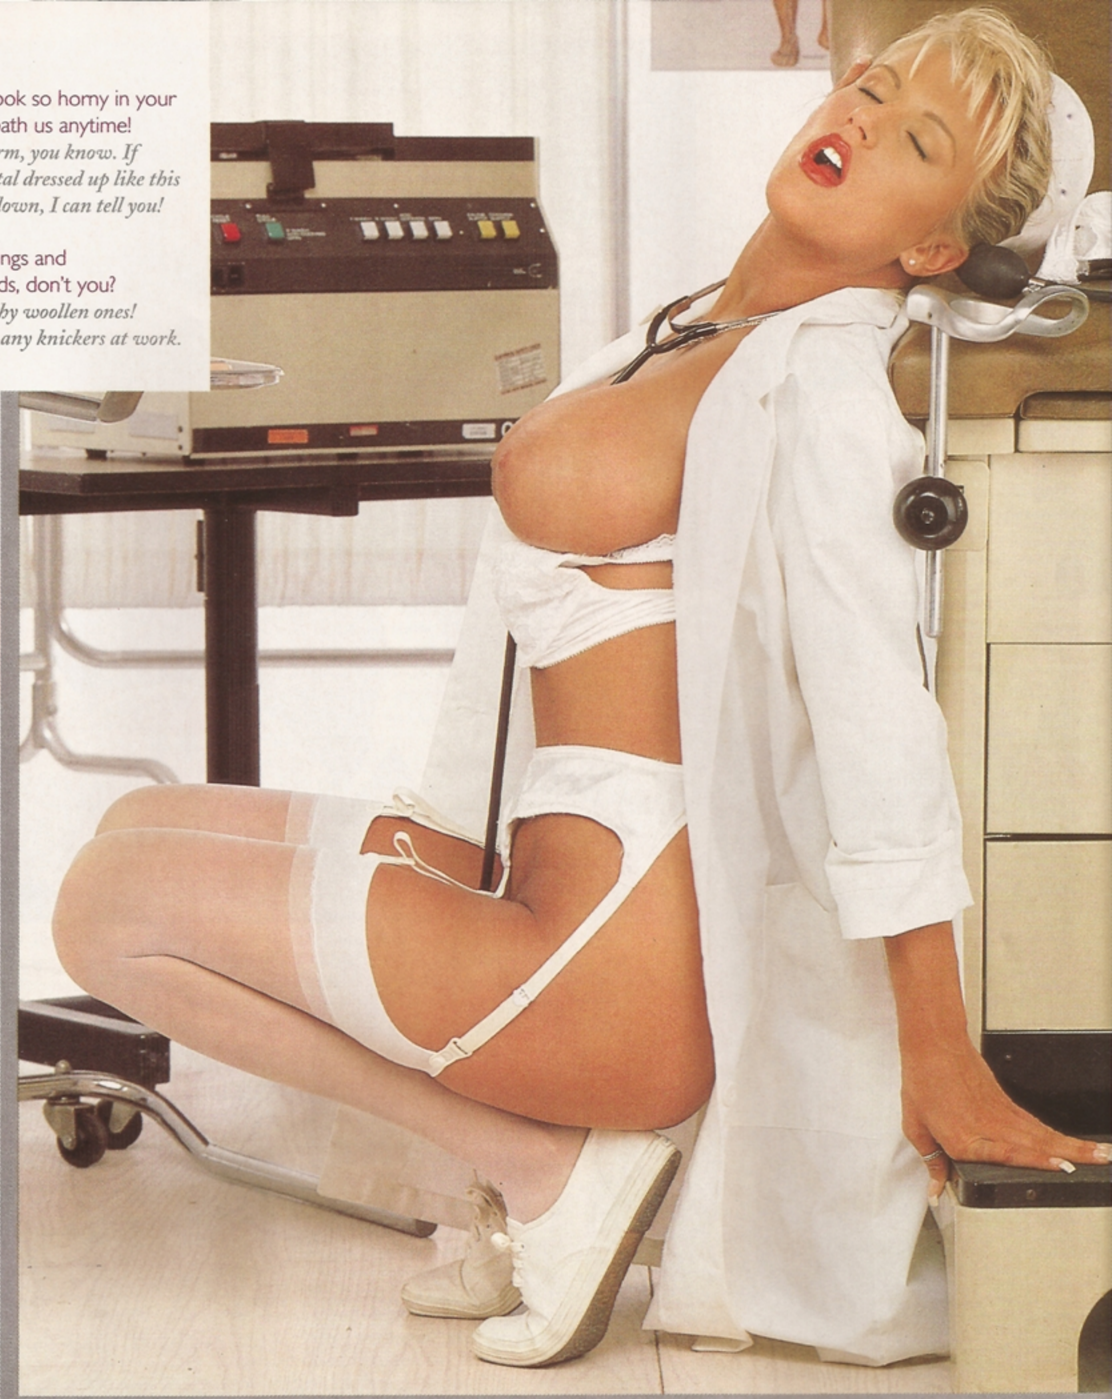
We love nurses! You look so horny in your uniform, you can bed bath us anytime!
This isn't my real uniform, you know. If I turned up at the hospital dressed up like this I'd get a right dressing down, I can tell you!

But you do wear stockings and suspenders on the wards, don't you?
Yes I do – thick black itchy woollen ones! Mind you, I don't wear any knickers at work.



Is that a common practice among nurses, then?!

I doubt it – it's so cold on the wards we usually wear extra layers, not fewer. And we have to stop those prying eyes!

So why no knickers?

I've got a bit of a confession to make. In my nurses' hall there are huge queues for the washing machine, so I get my clothes done by the hospital laundry service!

SIOBAHN

We can't believe how lucky we were to wander into your bar when we were scouting for a feature in Dublin!

Siobahn: *From the looks of you, ours wasn't the first bar you found your ways into. You can tell the English customers, because they're the horizontal ones!*

Ciaran: *But if you're going to get drunk, I suppose you can't pick a better spot to do it than Dublin. Someone said if you throw a stone in the city, you can be sure it will land in someone's pint!*

Have you ever served any famous customers?

Siobahn: *Oh, we've had them all coming in – Jack Charlton, Liam Neeson, Bono…*

Who was the nicest?

Ciaran: *Gabriel Byrne! He had a lovely smile and he bought both of us drinks all night. Now he's got two fans for life!*

It's good to see you getting into a lather again – we've all got fond memories of your famous 'car wash' photo set (Vol 31 No 9)!

I'm starting to think you guys only ask me to pose so you can get me all soapy! What's the matter, do I smell or something? I'll go all wrinkly if I spend much more time around bubble bath and shampoo!

You cheeky bugger! Are you suggesting I live in a barn?

Well, you do hail from Yeovil, don't you?
So what? Just 'cos I'm from the West Country it doesn't mean I'm a bloody yokel, got it? And no, before you ask, I've never milked a cow or fed any fucking chickens…
